Dog starts:	
a) before the signal from the Judge	-4
b) after the signal from the Judge	-2
Dog does not pass the line	-12
Extra commands to recall the dog (one only)	-2
Dog does not return within 20 seconds	-12
The dog returns, but wanders 'loosely' back to handler.	-1 G.A.
<i>Handler waits too long to recall the dog</i>	-1 G.A.

4. Positions

Penalties

Levels:	I	II & III
Dog changes from the initial position	-2	-2
Handler does not sit dog first and/or who disrespects judges signal	-1GA	-1GA
Dog does not execute the position indicated	-3	-3
Dog moves towards the handler, each meter	-1	-1
Dog returns to the handler before the end of the exercise; it loses the points for recall, but keeps the points awarded for the changes of positions.(deduction made by the distance advanced from the point of positions)	-1	-2
Dog rotates on itself during positions	-GA	-GA
Dog moves forward ½ meter (exercise is not perfect)	-0.5 -GA	-0.5 -GA
Dog moves forward ½ meter and then returns to its place	-GA	-GA

5. Refusal of Food

Penalties

	Level I	Level II & III
Dog licks, eats, or takes food in its mouth (either thrown or on the ground)	-5	-10
Dog moves when food is thrown (per meter)	-1	-1
Handler breaks in or interferes	-5	-10
Dog moves during the throwing of the food: <i>1 point per meter, up to 3 meters; beyond that: 0</i>		
Moving upon the handler's return: at the discretion of the Judge	-2	-2

6. Apport

Penalties

Extra or irregular command	-12
Command given by voice and gesture	-2
Object is not retrieved within 15 sec	-12
Dog starts:	
a) before the Judge's signal	-4
b) after the Judge's signal	-2
Dog plays with or chews the object	-1
Dog drops the object while he returns to the handler, each time	-1
Object is returned but the dog is not in sitting position when the handler takes the object.	-1
Dog drops the object at the handler's feet and handler has to pick it up	-2 & -1 G.A. (=total -3)
Handler moves as dog returns	-12
Handler has to move his/her feet to get the object	-12

7. Little Wood

Penalties

Handler shows dog the little wood	-15
Commands by voice and gesture	-2
Additional send commands	-15
Object not brought back or not within 1 minute	-15
Dog starts:	
a) before the Judge's signal	-4
b) at the Judge's signal	-2
Dog chews the object	-1
Dog drops the object during the return, each time	-1
Dog drops wood in front of handler and handler has to pick it up	-2 & -1 G.A.(= -3)
Object is retrieved but the dog is not sitting when the handler takes the object.	-1
Dog leaves his place before the return of the handler. (more than radius of 2m)	-15
Dog moves within a radius of 2 m, each m	-1
Dog selects the wrong object	-15
Handler moves as dog returns	-15
Handler has to move his/her feet to get the object	-15
Handler puts his/her hand in his/her pocket before he/she gets to the place where he/she drops the object or he/she shows the object to the dog.	-15
Handler places wood with his/her back NOT to the dog	-15
Handler manipulates the object in a way that is not allowed or gives it an additional scent	-15

JUMPS

Penalties (common to all 3 jumps)

Start before signal (plus loss of 1 attempt)	-4
Start after signal but before command.	-2
Command by voice and gesture	-2
Refusal or going around, forward or return jump	-4
Knocking down the boards, forward or return jump	-2
Missing (attempt failed) forward or back.	-2
Failure to take position behind the obstacle (if command is given)	-2
Any additional command for position, placement, recall	-2
Any additional send command	-5
The dog does not return to heel within 10 s.	-2
Any irregular command results in a penalty to the corresponding points.	

Penalties (hurdle only)

Position command by both voice and gesture, after forward jump	-2
Dog touches the hurdle, forward or return	-1
If the dog pushes the hurdle and it does not fall, each time	-2

Attacks

1. Stick attack

Level I	without obstacle	50 points
Level II	with obstacle	40 points
Level III	with obstacle	50 points

Breakdown of points

Start	10 points
Attack	30 points in Level I & III (20 in Level II)
End and Recall	10 points

Penalties

Levels:	I	II	III
Starting before the Judge's signal (plus -5 for G.A.)	-10	-10	-10
Second offense of start before Judge's signal	-50	-40	-50
Starting after the Judge's signal before command.	-5	-5	-5
Additional commands to attack (only 1 allowed) : <i>if dog leaves at first command, no additional commands are allowed</i>	-10	-10	-10
Any irregular behaviour before or during the exercise	-50	-40	-50
Per second not biting	-3	-2	-3
Per rapid change in bite	-1	-1	-1
Per second biting after out command (1 second allowance)	-2	-2	-2
Additional bite after end of exercise	-2	-2	-2
Additional recall command (only one is allowed)	-5	-5	-5
Not biting at the time of recall (plus per second not biting)	-5	-5	-5
Failure to return within 30 seconds	-10	-10	-10
Any irregular behaviour after end of exercise	-10	-10	-10
Dog does not attack or does not bite (the dog cannot execute a Stopped Attack or will lose the points gained in that attack if already executed)	-50	-40	-50
Handler leaves starting line during the exercise (a lateral movement behind the line is allowed if needed to see his dog, but he must remain motionless after the out command)	-50	-40	-50
Handler uses the course for training.	-50	-40	-50
Dog hesitates in front of the obstacle <i>(Deduction from start points).</i>		-5	-5
Dog bypasses the obstacle (not penalized on return) <i>(Deduction from "bite" points)</i>		-10	-15
<i>Dog creeps forward at the start line -1 per meter</i>	-1	-1	-1
<i>Dog stops biting at the judge's horn and returns to handler</i>	-5	-5	-5

2. Accessories

“Same requirements and penalties as stick attack”

3. Flee

Breakdown of points

Level	I	II & III
Start	10 points	10 points
Attack	30 points	10 points
End and recall	10 points	10 points

Penalties

(Identical those of the “Face Attack with Baton”)

- **Level 2&3 dogs will lose 1 point per second not biting.**
- **Level 1 dog will lose 3 points per second not biting.**

4. Stopped Flee attack

Penalties

Start (see the start penalties in the other attacks)	
Dog bites	-30
Recall at 3 m (no deduction)	no penalty
Per additional meter	-2
Additional recall command (only one allowed) -if the dog returns within 5 meters of the handler. -if the dog returns outside of a 5 meter radius (additional recall prohibited, he retains 10 points from the start)	-5 -20

5. Search and transport

Penalties relating to Search and Escort

Additional search command (only one allowed)	-10
Dog does not search despite the second command	-40
Dog does not discover the Decoy during the allotted time	-40
Dog does not bark during the allotted time	-10
Dog bites within the blind	-5
Dog does not guard closely at the blind, per m escaped	-1
Handler runs to the blind (deducted from G.A.)	-2
For each bite during escort or after "out"	-2
Additional command to "out"	-2
Dog lets the Decoy escape, per meter	-1
Handler does not maintain 3 m distance during escort	-10
Handler interferes with Decoy during escape	-30
Dog does not guard closely for 5 seconds	-5
Dog barks without having discovered the Decoy	-5

6. Defense

Handler talks to the dog after command at the start of exercise	-30
Handler responds to conversation without preliminary authorization to do so	-30
Dog bites before or during the meeting or conversation	-30
Dog bites after the meeting but before the aggression, penalized per meter from the spot intended for aggression	-2
Dog moves away from the handler without biting, at any time (with one meter allowance) penalty per meter	-1
Dog abandons the handler, more than 10 meters	-30
Dog attacks the third person	-30
Dog does not defend during the 2 sec aggression	-30
Handler encourages his dog, does not stay 3 m away during the Defense, or when the "out" command is given	-30
Bites after the "out", per bite	-2
Per second not biting	-2
Dog does not return within 10 seconds of the recall command	-5
Dog does not guard closely for 5 seconds	-5

7. Guard

Dog bites the Decoy within the 2 m zone before he has touched the object	no penalty
Dog bites the Decoy within the 2 m zone and lets itself be dragged to, but not beyond, the circle	no penalty
Dog bites the Decoy within the 2 m zone and lets itself be dragged beyond the circle, per meter	-1
Dog bites and lets itself be dragged beyond 5 m distance from the place where it bites	-15
Dog lets itself be dragged beyond 5 m, does not let go within 10 sec	-30
Dog lets the Decoy take and move the object, then bites, regardless of the distance, inside the circles, by meter	-1
Dog lets the Decoy take and move the object, then bites, at 5 – 10 m	-15
Dog lets the Decoy take and move the object beyond 10 m	-30
Dog bites the Decoy between 2 and 5 m	-5
Dog bites the Decoy beyond 5 m (exercise is ended)	-30
